

Working with Aspire to Save for Your Retirement with Confidence

Are you making the most of your 403(b) retirement program? Many educators and administrators rely on their pension and Social Security to help them through retirement, but often these payments fall short of expenses in an extended retirement. In the changing economic landscape, are you prepared for bumps in the road?

Aspire is an approved 403(b) vendor in more than 3,500 school districts—including your local area—making us one of the largest providers of 403(b) retirement plan management solutions. With extensive experience working with school employees, Aspire has the expertise to customize a retirement solution that fits your unique needs.

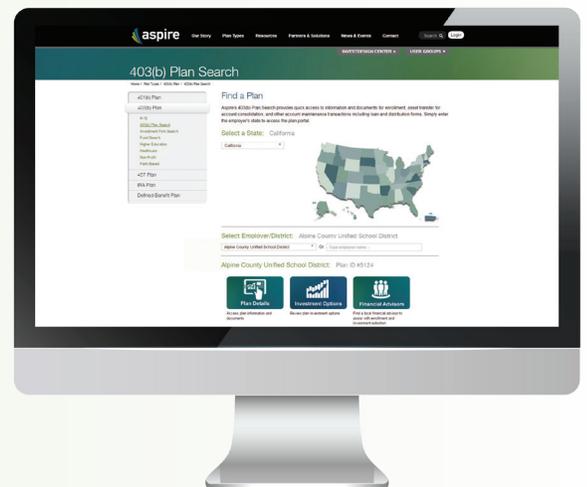

Why teachers and support staff work with Aspire

- Custom solutions to suit your lifestyle
- 10,000+ investment options
- Work with an advisor of your choice or self-direct your plan
- Easy transfers for previous retirement accounts

Plan resources

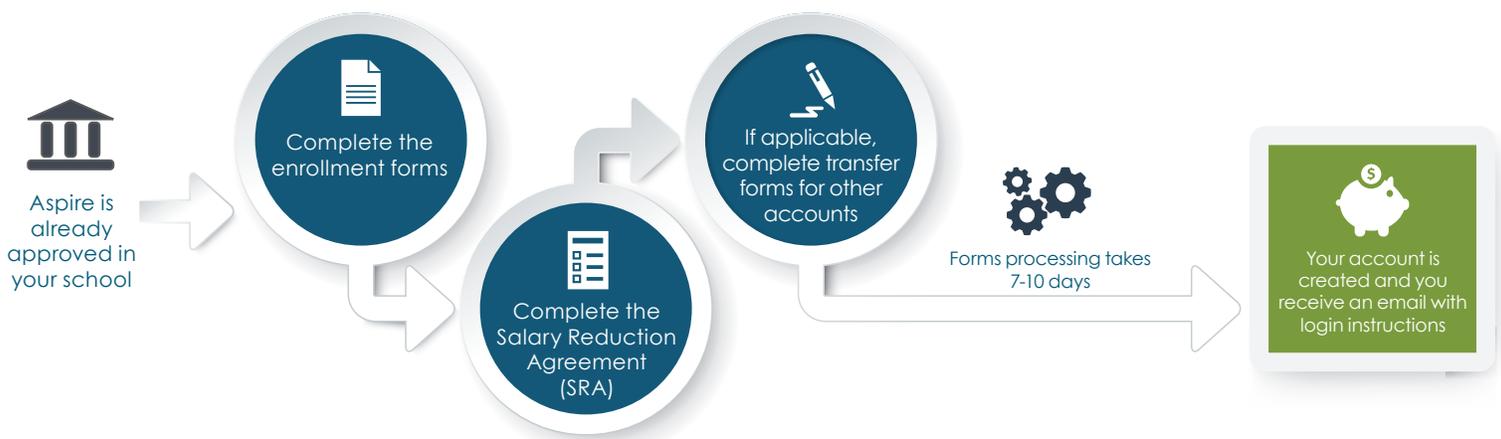

For information on your school's plan, follow the steps below. Do you need a financial advisor? If you are not self-directing your plan, you can use the search below to locate an advisor in your district.

1. Visit aspireonline.com and select 403(b) Plan under the Plan Types tab
2. Select 403(b) Plan Search
3. Select your state and school or district
4. View plan details, investment options, find a financial advisor, and download enrollment documents

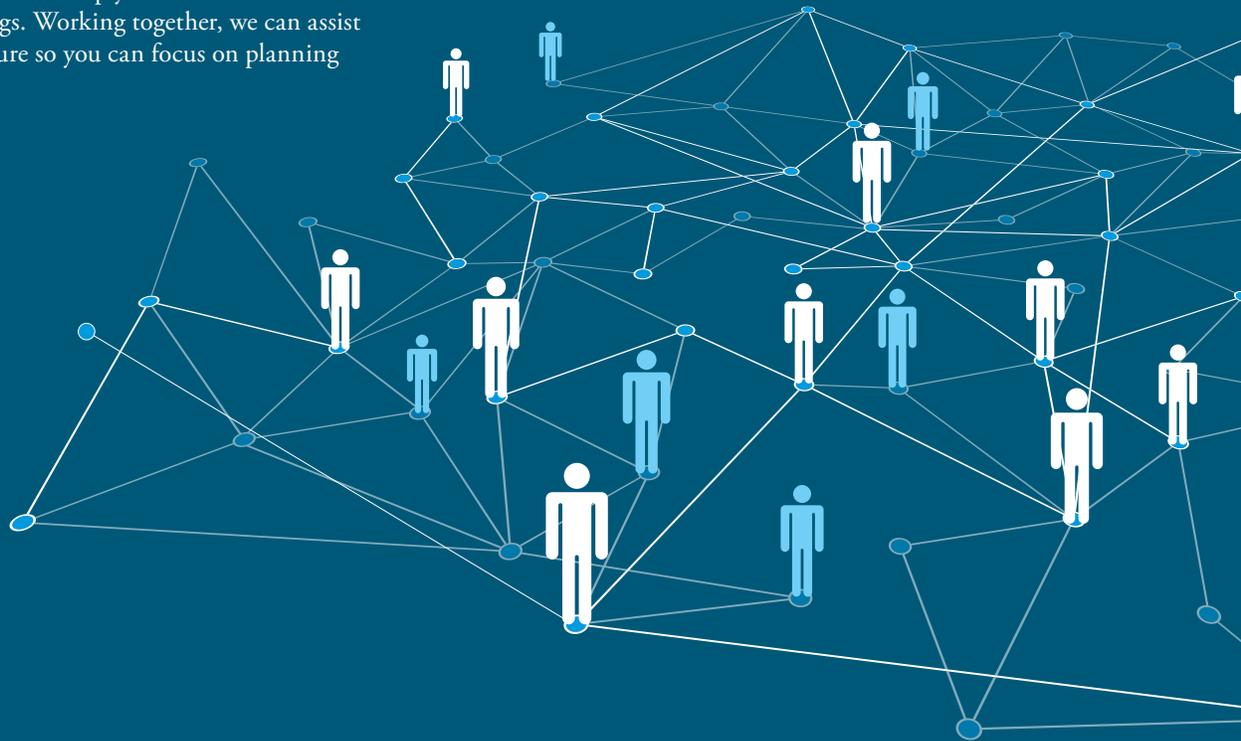

Enrollment in 3 easy steps

We make it easy for you to enroll in a plan through Aspire. Once all forms are complete and in good order, an account can be set up in 7-10 business days. If you are working with an advisor, they may be able to help you complete and send in your enrollment forms.

Enabling greater retirement outcomes

Partnering with a trusted, flexible 403(b) vendor like Aspire enables greater outcomes and can help you be more confident about your retirement savings. Working together, we can assist you with planning your future so you can focus on planning for the classroom.
